

DANCEWAVE'S YOUTH LEADERSHIP COUNCIL

As part of this year-long program, students participating in the **Youth Leadership Council (YLC)** will develop their own individual and unique voices as they cultivate project management and leadership skills, working with peers to create their own activities and events.

Dancewave is working with up to 20 young people ages 11-18 years old, with an interest and passion for leadership in dance, as part of their Youth Leadership Council (YLC).
