COLLEGE FAIR - AUDITIONS - PANELS & WORKSHOPS

Sponsored in 2019-2020 by Dance Magazine, Dancewave Through College & Beyond (DTCB) is a one-of-a-kind nationwide event helping hundreds of high school students each year fully explore college dance opportunities and to assist them in navigating the college admissions process. DTCB Auditions bring panelists from premier colleges from across the U.S. and internationally, maximizing families' time and resources. DTCB attendees leave better prepared for their college careers in dance, and schools benefit from meeting our highly motivated and diverse group of attendees.

Creating life-changing connections among up to 1000 DTCB attendees: including representatives from up to 60 colleges, over 900 students and parents, and up to 200 auditioning high school seniors!

Virtual College Fair & Website Booths

VIRTUAL COLLEGE FAIR PANELS

Up to 60 top dance degree programs from across the world have reserved seats for their reps in our 90-minute College Fair Zoom panels. Similar to guests visiting the college tables at the real fair, recruiters will have the opportunity to network with interested students in a private 30-minute.

students in a private 30-minute breakout room built into the session.

Additionally, one current student or alumni per school may participate in our Peer-to-Peer panel: a DTCB favorite among students, giving them a unique "insider" view!

Another silver lining of our virtual event: <u>increased promotions!</u>
Our expanded DTCB website (launching early July!) gives graduating high school seniors and college representatives alike more convenient, web-based access to the critical information they need.

WHAT PEOPLE ARE SAYING ABOUT DTCB

DTCB is a tried-and-true model for making meaningful connections among college recruiters and motivated high school students, even as a virtual event! Each year, Dancewave staff and volunteers produce a high-quality, high-value, organized event for up to 1000 attendees. Join us for the magic!

I am so grateful and appreciative to Dancewave and their DTCB event. It gave me the tools to understand the college dance process, which is totally different from the general college search. Each time I attended I gained clarity and reaffirmed my passion for dance." - Waverley Leung

Three-time DTCB attendee, 2019 Graduate of Montclair State University, former Intern at José Limón Dance Company

In my view Dancewave Through College and Beyond is an essential event for college reps looking to recruit talented high school dancers who are serious about their ambitions to study dance for their Baccalaureate degree. It attracts dancers from across the country, standard of technique and performance is consistently high, and the audition process itself is very well organized." - Victoria Watts

Chair of the Dance Department at Cornish College of the Arts

HISTORY & CULTURE MODEL

MISSION

Founded in 1995 by Artistic/Executive Director Diane Jacobowitz, Dancewave's unique model combines rigorous training with artistic integrity in a supportive environment. Students are mentored by accomplished dance professionals, which allows for personal growth as well as superior dance education.

Celebrating 25 Years

The Dancewave Culture Model (DCM) is grounded in restorative practices, a social science that studies how to build social capital and achieve social discipline through participatory learning and decision-making. DCM is also guided by The Young Artist Citizens focus (YAC), which is designed to empower students to lead, take ownership of their learning, and become active members of their learning community.
