Dancewave Moving Together Pilot Program

In April 2020, Dancewave launched **four free all-ages online dance classes**, offering essential health benefits and community-wide connection across cultures that only dance can provide.

Moving Together classes not only provide dynamic physical movement but also **educate students on the cultural and historical significance of social dance styles** ranging from Bollywood, Dancehall, Lindy and Swing, Arabic Dance, Latin Dance, Modern/Contemporary and dance forms from across the African Diaspora.

Attendees tuned in from across the U.S. and Canada, and **from as far away as the United Kingdom, Jamaica, Switzerland, Jordan, and Tunisia.**

MOVING TOGETHER STUDENT TESTIMONY:

The class was an amazing experience! It felt so good to get my body moving, which is so important for my mental well-being during Corona self-isolation. To learn a dance style completely new and see everyone else dancing was totally uplifting. You're providing a wonderful gift to us all, Dancewave!
