Our unique Company model promotes rigorous training with artistic integrity, individual mentoring and leadership development in a focused and supported environment. Join us!

**PROGRAM & COMMITMENTS:** This year, Company Programs are offered as a semester long commitment running September through January and February through May. Company tuition includes required classes, rehearsals, Company Regroup sessions, (virtual) performances, coach and artist mentorship, and peer leadership opportunities. Company dancers are expected to attend all scheduled sessions.

**REGROUPS & COLLEGE PREP:** Addressing the vital conversations happening in our current social climate, DCI & DCII students participate in an advanced adolescent Regroup helping students to build Equity, Wellness and Racial Justice. As students reach their junior and senior year, we connect them with our popular nationwide event [Dancewave Through College & Beyond](#) (DTCB), which offers students and parents the opportunity to learn about college opportunities through a 50+ college fair, panel discussions and audition.

**SCHOLARSHIP OPPORTUNITIES:** Dancewave offers need-based scholarships to committed students. Fall Semester Scholarship Applications are open beginning early August. **Application deadline is September 14, 2020.** To apply, visit: [dancewave.org/scholarships](https://dancewave.org/scholarships).

**PAYMENT PLANS:** Payment Plans are automatic monthly installments and are available [upon request](#). Additional fee applies.

**DANCEWAVE YOUTH ORGANIZERS:** Company dancers are invited to participate as a Youth Organizer (formerly Youth Leadership Council), an initiative integral to keeping social justice at the forefront of Dancewave’s impact. Organizers hold meetings for youth to connect about current events, conduct research about youth-led historical movements, and support each other as ambassadors of change and forward thinking. ## DANCEWAVE CULTURE MODEL & REGROUPS

**Our CULTURE MODEL** embraces inclusivity, equity and underscores the value of team and community building. We train our teaching artists annually to provide a supportive classroom environment for all students. Dancewave teaching artists and staff work closely together to invest in our young dancers’ social, emotional and overall wellbeing by offering opportunities for mentorship, individualized coaching and one-on-one college guidance and referrals.

An integral part of the Company program, Dancewave **REGROUPS** are meetings in which students, teaching artists and coaches cultivate a supportive community. Regroups generate dialogue about topics central to youth development, helping students to work through them alongside their dance practice.
