"My daughter is a junior in high school and it was nice to get a step ahead...It made her feel less anxious for next year because she knows how to prepare. I look forward to joining Dancewave again next year when she is ready to audition."

- DTCB 2020 Parent Participant

A signature feature, DTCB connects students directly with the opportunity to audition for program admission and scholarship awards, **Dancewave enables students and their families to audition for up to 60 top US and UK dance programs, saving thousands of dollars in admissions fees and travel expenses.** Dancewave's carefully crafted virtual audition platform allows students to safely learn, record, and upload audition videos from anywhere in the world. \$13M in scholarships have been

“As a parent and a college counselor for a performing arts high school for over 25 years, I was impressed with the organization and use of technology to pull together this opportunity for dance students. My daughter and students gained a wealth of knowledge and had a wonderful experience. We will attend again.”

-Joel Diamond, College Counselor at Las Vegas Academy of the Arts

Participants benefit from **powerful live networking opportunities, financial aid and college admissions workshops, masterclasses, panel discussions with industry leaders and professionals, and much more.** Student registration is open, with the event app launching on October 1, 2021.
